

youth ambassador

Results Canada is a non-profit national grassroots advocacy organization. For more than 30 years, we have worked to create the political will to end global poverty and demonstrate that individuals can make a difference when they employ their political power. A central element of our work is educating citizens and decision-makers about key problems and solutions associated with extreme poverty. To learn more, visit [our website](#).

- Are you a post-secondary student looking for meaningful extra-curricular experience, and leadership opportunity?
- Are you passionate about international development and sustainable solutions to end global poverty?
- Do you want to be a part of an international community of advocates?
- Would you like to learn and practice powerful communication skills and techniques in order to influence decision-makers?
- Are you a change maker who wants to take actions that impact the lives of millions of people?

If you answered yes to any or all of these questions, then this opportunity could be the right fit for you!

Central to Results Canada's mission are its volunteers, passionate people who convene to take action on and create change around the world's most pressing issues. For the upcoming school year, we are looking for enthusiastic, passionate leaders who want to take on the challenge of being an ambassador for Results. Included below are some of the volunteer roles we are looking to fill. [\[Note to group: you can modify these roles based on your needs. As an example, you could decide to have the following roles instead: President, Vice-President, Secretary, Treasurer, Director of Communications, etc.\]](#). Please take a look to see which seems like the best fit for you.
